

## **VACANCY: FACILITY MANAGER**

### **Azeezia Medical College Hospital**

Azeezia Medical College Hospital invites applications for the position of **Facility Manager** to lead and manage all facility operations and ensure a safe, efficient, and well-maintained hospital environment.

**Position: Facility Manager**

**Location: Kollam, Kerala**

**Experience: Minimum 3 years, hospital experience mandatory**

---

### **Key Responsibilities**

- Manage day-to-day operations of hospital facilities, utilities, and infrastructure
- Ensure strict compliance with hospital safety standards and statutory regulations
- Supervise maintenance, housekeeping, security, biomedical engineering, and technical teams
- Oversee preventive and corrective maintenance schedules
- Coordinate with vendors and contractors, ensuring timely and quality service delivery
- Implement facility-related improvement projects and ensure cost-effective operations
- Respond promptly to facility emergencies and support patient-care areas as needed
- Assist management in planning, budgeting, and facility audits

---

### **Desired Candidate Profile**

- **Minimum 3 years of experience in hospital facility management (mandatory)**
- Strong knowledge of hospital engineering systems—HVAC, electrical, plumbing, medical gas systems, etc.
- Excellent leadership, communication, and crisis-management skills
- Ability to manage multi-disciplinary teams and work in a fast-paced hospital environment
- Qualification: Diploma/Degree in Engineering or Facility/Operations Management (preferred)

---
