

Position

Senior Resident (SR) / Assistant Professor – General Medicine

Azeezia Medical College Hospital, a 540-bed multi-specialty teaching hospital offering comprehensive healthcare services and robust academic programs, invites applications from dedicated and qualified candidates for the Department of General Medicine.

Key Responsibilities

- Provide comprehensive inpatient and outpatient care in General Medicine.
 - Participate in clinical rounds, case discussions, and patient management planning.
 - Teach and mentor MBBS and MD students, interns, and junior residents.
 - Assist in academic activities, departmental meetings, and CME programs.
 - Contribute to clinical research, clinical audits, and quality-improvement initiatives.
 - Ensure adherence to hospital policies, ethical standards, and patient-safety guidelines.
 - Collaborate effectively with multidisciplinary teams within the hospital.
-

Required Qualifications

- **MBBS and MD (General Medicine)** from an MCI/NMC-recognized institution.
 - Valid medical registration.
 - For **Assistant Professor**: Minimum required teaching/clinical experience as per NMC norms.
 - Strong clinical competency, communication skills, and professional ethics.
-

Why Join Azeezia?

- Modern facilities with broad clinical exposure across specialties and super-specialties.
 - Supportive academic environment with opportunities for teaching and research.
 - Well-established teaching hospital attached to a reputed medical college.
 - Opportunities for career development in both clinical and academic roles.
-
